NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier: the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable case for pension, special care* must be taken to state the *degree* of disability—as ½, ¼, &c., &c.; to describe particularly the disability, wound, or disease the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will note, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of dischargs by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Medical officers, in giving certificates of disability, are to take particular cognizance of cases that have not been under their charge; and especially in epilepsy, convulsions, organic affections, derangement of the urinary organs, opthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, in whose [illegible] and sent by him to the Surgeon in charge of the hospital where the soldier is a patient. The Surgeon will then see and test the statements contained in the certificate, and if found correct, will sign the same in the presence of the soldier, countersigned their signatures, and forward the original certificate to the Adjutant General's Office, to which the authority to discharge should also be forwarded.

The certificate, after having received the action of the Medical Examiners to whom it may be presented in the cases where the soldier is discharged by the regimental or company commander, will be filed by the Adjutant General with the papers of the case, and the duplicate will be given to the soldier, and be his certificate of discharge. Note 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

Note 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will state, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1161 Regulations, Jan. 1861.

Medical officers, in giving certificates of disability, are to be particular and in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander or other officer cognizant of the facts, and will be signed by him and by the surgeon who has examined the soldier as to sickness or disability. The surgeon will state the circumstances and the degree of disability, and forward both papers to the Regimental or post commander, who will forward them with his opinion endorsed thereon through the proper channel to the adjutant general's office. If the soldier is under the charge of a hospital surgeon, or other commander of troops, the authority to discharge enlisted men may be specially delegated.

These certificates after having received the action of the proper authority to which they are required to be laid, will be retained in the adjutant general's office, and no copies furnished to the applicant, or any one else, except upon the order of the Secretary of War. In the case of discharges by Medical Inspectors, the soldier's descriptive list and the muster-out roll will state that the soldier is furnished with the proper discharge certificate and forward proofs of the same, referring to the Adjutant General's Record Index Book, in which the certificate will be recorded. Discharges will not under any circumstances be given to deserters.

STATE OF Kentucky TOWN OF Paducah

I, Spencer Campbell Cosby born in the State of Kentucky, aged Eighteen years, and by occupation a Carpenter, DO HEREBY ACKNOWLEDGE to have agreed with Jacob E. Crider, Esq., of Caldwell County & State of Kentucky to become his **SUBSTITUTE** in the Military Service, for a sufficient consideration paid and delivered to me, on the Fourth day of March, 1865; and having thus agreed with said Jacob E. Crider, I DO HEREBY ACKNOWLEDGE to have enlisted this Fourth day of March 1865, to serve as a ***Soldier*** in the **Army of the United States of America,** for the period of *THREE YEARS*, unless sooner discharged by proper authority: I do also agree to accept such bounty, pay, rations, and clothing, as are, or may be, established by law for soldiers. And I do solemnly swear that I will bear true and faithful allegiance to the ***United States of America;*** that I will serve them honestly and faithfully against all their enemies or opposers whomsoever: and that I will observe and obey the orders of the President of the United States, and the orders of the Officers appointed over me, according to the Rules and Articles of War.

We certify, on honor, That we have carefully examined the above-named Volunteer Substitute agreeably to the Regulations, and that, in our opinion, he is free from all bodily defects and mental infirmity which would in any way disqualify him from performing the duties of a soldier; that he was entirely sober when enlisted; that he is of lawful age, (not under 18 years;) and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, and as a Substitute in lieu of Jacob E. Crider drafted in _____, 1865, we have strictly observed the Regulations which govern in such cases. This soldier has Hazel eyes, Light hair, Fair complexion; is 5 feet 6 inches high.

Dear Sir

I am sorry as I am I do attempt to address the President of This Govermt I Constantly dislike to address you upon a subject that deeply interests me & my suffering wife and to my poor aged mother & family & I have been a loyal man to this govermt & enemy to the rebellion ever since it broke out & as far as I was able I have took a active part in trying to put down the guerillas in Kentucky & have belong to the Home & State guards of Kentucky ever since This rebellion broke out & I would have joined the United States service long ago but I was advised to keep out of the regular service on account of my health being very bad, so on the 2 6th of Sept last I was legally & duly sworn in the service of the U.S. for the term of one year & I as a loyal man reported promptly to my enlisted & being a poor man was

not able to give a substitute of course I was
compelled to fill my own place so I was assigned
to the 21st Kentucky Sixth Regiment President
I am a citizen of Harlin Co Ky & a man of family
have been married four years & unfortunately my wife
ends has become afflicted with the Consumption
she is not able to be out of her bed but very
little the Physicians tells me she is in the last
stage of Consumption President she writes
constantly for me to get out of service & come
home & they tells me what time she has got
to live in this world which cannot be long
for I am a mother that is almost light less &
I am the only son that she has that is able
to help her along I have belong to the Service
four months & was with my Regiment only
30 days when the Surgeon of my Regiment
sent me to the hospital where I have been
ever since I have been diseased with Dyspepsia
over three years so that I am not able to do
any hard labor or hard service of any kind
President I wrote to Governor Randall Son of Kentucky
concerning my case & he has not the power to
release me from the service but he advised me

to apply for a discharge and under those
circumstances I apply & the one that has
the authority to discharge me from the service
President take my case & consider it and I do hope
& pray for the sake of my Dear wife & little
Mother that you will release me from the service
so I can return home to take care of my
wife while she stays — here in this world
which I am sorry to say cannot be long
President any proof of this is reliable
& can have it certified to by a number of gen.
witnesses if I was at home & you require
it of me I will have this full proven to your
satisfaction & leave this case with you

This is to certify that I have this
day examined John Clark a soldier
belonging to the 21st Regiment Ky
Vol. Co. B. I find him entirely unfit
for service of any kind and I am
of opinion he never can be hereafter
a benefit to the U.S. as a soldier
owing to a disease of which would
disable him from duties of
any kind. I gave said Clark
a certificate of disability some time in the
last which he thinks has been mis
placed, he is by no means able

War Department.

Adjutant General's Office.

Washington, Feb. 23d 1865.

Sir:

In reply to your letter requesting a Descriptive List of Joseph Clark a Private in Company "K" 21st Regiment Kentucky Volunteers, I have the honor to furnish the following Description List obtained from the records of this Office, which, from the want of the necessary data, (which is in the possession of the Company Commanders) is very partial.

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

Joseph Clark, a Private in Company "K" 21st Regiment of Kentucky Volunteers, is 23 years of age; but no further "description" can be obtained from the files of this Office.

He was enrolled on the 11th day of February 1862, at the camp of Columbia in the State of Kentucky by Capt. Thompson and mustered into the service of the United States on the 11th day of February 1862, at the camp of Columbia, in the State of Kentucky by Col. Dudley to serve for the period of 3 years or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Out Roll of his Company for the months of dated January 20th 1865, that he was last paid by Paymaster Maj Marks, to the 31st day of Aug. 1863.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing: it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

The same roll reports him "Present under arrest awaiting trial" Clothing settled to Feby 11th 1862, drawn since then to amount of $16.41 Bounty due $100.

Very respectfully,

Your obedient servant

Assistant Adjutant General.

(7)

To Lt. Elliott 21st U.S.A.
Mustering & Disbursing Officer
Louisville Ky.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company [illegible] and having been found by our proper officers to carry out the soldier's final statements, should be enclosed with a statement to that effect by [illegible] This statement is also to contain a full statement of the time for which the soldier was allowed pay in his final statements, the clothing [illegible] and in every possible instance [illegible] so as to furnish a complete record of the account. It will then be transmitted to the [illegible] Auditor, who will cause the [illegible] Company Commander of the soldier's account on the muster roll upon which the [illegible] discharge is granted. [illegible] be sent there for adjustment. The object of this is, that the remaining portions of the soldier's account may be settled upon the receipt of [illegible] and the soldier receive [illegible] pay or allowances that may be due him to the time of his discharge, and which may not appear on his final statements, from the fact that this list is incomplete or "partial."

Captain,

I have the honor to state that Oliver Hyde a private of Company "D" 21st Regiment Ky Vol Infantry, on a furlough the 6th day of October 1862, while Bragg's army was near Shelbyville, in the State of Ky being unable, to keep up with his Regiment, fell sick of typhoid fever, and was captured by Rebel Cavalry and taken to Cumberland Gap, and there boarded, he returned to his home in Grant County Ky where he remained several Months, as he claims sick and unfit for duty.

That during in the spring that time taken prisoner & a certain time had been exchanged, he reported at Falmouth Ky for transportation to his Regiment, and was sent from there, as he says, to Covington, Ky that there he was told by the Provost Marshall that his Papers from him and told him that he was considered as a deserter for not reporting sooner, and put him in a Military prison, where he remained a that time, and was sent to Camp Nelson, Ky. where he was kept in custody for several weeks, and was then with many others released, having no charges preferred against him, and he was sent into Tennessee Camp

to do duty, where he remained until Transportation was furnished, to his Regt where he has just arrived. He came back Voluntarily. was not under Guard— I do not believe that he intended to desert. I believe the Testimony herein are all entirely true — Coil has distributed in the Volunteer Service —

I therefore very respectfully request that Oliver Coil be restored to duty, and to the Rolls, with— as without loss of pay as the General Comdg. the Division may deem just.

FINAL STATEMENT

OF

Sergt Edw. Copplestone

Co. K Regt of New York

VOLUNTEERS.

Civil Service

NOTE 1.—Two of these certificates or duplicates are to be given to each Volunteer Soldier at discharge, one of which he is to forward to the Paymaster-General of the company, that he may receive the pay due thereon, and the other he is to present to the Paymaster of the regiment, with the application for the pay due him for clothing not drawn, and for commutation of rations, if entitled thereto, and the Paymaster will detach the certificate of commutation, and forward it to the Auditor for the Treasury for the proper settlement of accounts; and the Paymaster will retain the duplicate certificate for his own settlement with the Government. The latter duty requiring a personal application for duplicate certificate.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will specify in this line the number of days for which the Soldier claims pay, and the rate per day, and the Paymaster will add the amount to the line for the pay due for clothing not drawn, and commutation of rations.

NOTE 3.—When a Soldier is furnished with final statements, his name will be entered on the Muster-Roll of the company to which he belongs, and opposite his name in the column headed "Remarks," the Mustering Officer will make the following entry, viz: "Final statements furnished," and the Soldier will sign his name in the column headed "Signature." The Mustering Officer will then certify on the Muster-Roll the fact of the delivery of the final statements to the Soldier, and the Muster-Roll will be returned to the Auditor for the Treasury for the War Department, who will charge the Paymaster-General with the amount of the final statements, and credit the Paymaster with the same when the Muster-Roll is received and examined. The Muster-Roll of the company to which the Soldier belonged when he was discharged, must be produced by the Soldier, or a satisfactory reason given for its non-production, before a settlement can be effected. The Soldier will present the duplicate of this certificate, with the Muster-Roll of the company to which he belonged when discharged, and the Paymaster will detach the certificate of commutation of rations, and forward it to the Auditor for the Treasury for the War Department, who will charge the Paymaster-General with the amount, and credit the Paymaster with the same when the Muster-Roll is received and examined by the Auditor for the Treasury for the War Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other Government property, should appear upon the Muster-Roll of the company.

NOTE 5.—Bounty paid by State authorities and not by the United States, will not be entered on this statement.

NOTE 6.—Although the Name and Residence may be entered on the Muster-Roll, the Soldier will sign his name in the column headed "Signature" on the statements furnished him, before receipt can be obtained from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his discharge will state that fact, and the final statements of deceased soldiers should be signed by Hospital Surgeons, &c.

I CERTIFY, ON HONOR, That I have carefully examined the above named Volunteer, agreeably to the General Regulations of the Army, and that in my opinion he is free from all bodily defects and mental infirmity, which would, in any way, disqualify him from performing the duties of a soldier.

Examining Surgeon

I CERTIFY, ON HONOR, That I have minutely inspected the Volunteer, Hilbig G. Gobins previously to his enlistment, and that he was entirely sober when enlisted; that, to the best of my judgment and belief, he is of lawful age; and that, in accepting him as duly qualified to perform the duties of an able-bodied soldier, I have strictly observed the Regulations which govern the recruiting service. This soldier has Light eyes, Light hair, Light complexion, is 5 feet 6 inches high.

Note 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier: the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared: the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

Note 2.

When a *probable* case for *pension, special care* must be taken to state *the degree* of disability—as ½, ¼, &c., &c., to describe particularly the disability, wound, or disease, the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will only find his knowledge of the facts and circumstances, and from the evidence in the case his professional opinion of the cause or origin of the disability. In the case of discharge by Medical Inspectors, the last paragraph will state that the "Certificate was given by reason of the serious, total & permanent character and the probability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1207 Regulations, 1863.

Medical officers in giving certificates of disability, are to take particular care in all cases that have not been under their charge, and personally to examine recruits, drafted men, substitutes, &c., &c., and to report specially upon the condition of the various organs, especially hernia, varicocele, varicose veins, &c., &c., and whether the applicant has been subjected to surgical operations, and if so upon what occasion and when performed, and whether cure was complete, and whether there is any evidence of malingering, or any attempt at deception.

Note 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier: the time, place, manner and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

Note 2.

When a *probable case* for *pension*, *special care* must be taken to state the *degree* of disability—as ½, ⅓, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In certificates of discharge by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and his disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, or anasarca, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will examine and sign the certificate, and forward these papers to the commanding officer of post or regiment, who will cause the facts and opinion entered thereon through the proper channels to the Adjutant-General; or, if the soldier has left the hospital, he will forward the papers to the chief medical officer of the department, by whom the discharge should have been previously given.

These certificates, after having received the action of the Adjutant-General, to whom they are required to be sent, will be retained among the rolls closed to the department post or regiment, to which they refer. If the discharge is granted by the Chief Medical officer of the department, upon the certificate of disability, and the soldier's descriptive list, the last paragraph on this paper will state that the papers in connection with the case have been forwarded to the Adjutant-General of the Army. Final statements in duplicate, and two and no more of these certificates, should be forwarded to the Adjutant-General United States Army, at the end of the month. In case they will not under any circumstances be given into the hands of the soldier.

Sir I have the honor to report that my father has been thirteen days sick, his disease is very much discouraged and needs attention. My Mess Sentiment is very bad just expected to live long, and my services are absolutely necessary at home, for long as I am to look to the interests of my fathers family. My Company has been reduced much for Commissioned Officers and 27 Enlisted Men for sixty days for same time expired the reasons of these facts, but being unwilling to part with as long as I could aid in the promotion of my Country's interest I have refrained from stating them I now most respectfully tender my resignation as Second Lieut of Co (G) 2nd Ky Vol Cav

NOTES.

1. The amount of any *extra* pay for which the soldier may be mustered, or, as *Acting Hospital Steward*, as *Saddler*, &c., and which may be still due him, must be carefully stated.

2. In the column headed "AMOUNT PAID," must be entered the *whole* amount already paid him, in line of "BOUNTY DUE," the same amount, or that only partially paid by State authorities, and not by the United States, will not be entered on this statement.

3. Stoppages for loss or damage done to *arms*, or other public property, must be stated, and the *estimate* and particular *damage* in each, examined. Where stoppages are due, under sentence of a Court Martial, a statement of the *case* must be entered here, and the amount already stopped, must be carefully stated.

4. In every case of desertion, the *date* and that of delivery or apprehension, must be given, together with a correct description of the soldier at desertion or capture, and the original muster-out pay of each stated that may be due him at the time of his desertion, and which may now amount on the final statement with the interest then accruing.

5. Bounty is payable in three installments, the first on the muster of the recruit into the service of the United States; the second on the production of the order of the Provost Marshal General that the recruit has been obtained, and the third on the muster of the recruit into the field, or after the lapse of nine months from the date of his original muster into the service. Each installment will be stated in a separate column.

6. Where a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to that effect over the officer's signature. The commanding officer should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to constitute a complete settlement for service. It will then be transmitted to the subsequent commander of the soldier who will enter on the data necessary to a full statement of the soldier's account to the muster out being effected. The descriptive list will then be transmitted. The descriptive list will then be transmitted. The object of this is that the remaining portions of the soldier's account may be settled upon the receipt of such muster rolls, and the subsequent commanding may pay or adjust such claims for pay, &c., as the Paymaster Department, and which may now amount on the final statements, and which may now amount on the final statements, and which may now amount on the final statements
